(*) scores not received, as the designated teachers didn't appear in the second stage of evaluations, and the pilot-system didn't allow a dynamic allocation of essays. As instructed by the NOC's president, the Executive Office closed evaluations, independently of the number of scores received, at 14/05/2023 09:00 am (Athens, GTM+3).

For organizational purposes, this table is ranked by final position.

As decided by the International Committee, these scores are provided anonymized, and the codes' disclosures will be made to each delegation regarding only their own students.
